Sea Summit, San Clemente,

Perhaps the finest home ever offered within the elite and luxurious Indigo collection at Sea Summit, this highly-upgraded residence is sure to exceed expectations. Occupying one of the very best ocean-view parcels in all of Sea Summit on a unique point, crashing whitewater, island, major ocean & sunset views are framed by rolling native hills of the nature preserve below. A crisp emerald horizon enhances nearly every major living space inside & out creating a sense of true coastal serenity. From the moment you enter, it's apparent the interior is on another level, professionally executed with keen design sense. Organic upgrades such as large wood-beamed ceilings, French-oak flooring, coralstone-cladded fireplace, exotic iron balusters, rift-oak cabinetry, limestone counters, & chunky live-edge shelving all create undeniable natural allure. Several resort-like suites make up a comfortable floor plan with one junior primary suite on the first level. Downstairs offers formal dining off a romantic courtyard, a massive ocean-view great room (living, kitchen, informal dining) all with 10' + ceilings. Several collapsable doors open to the entertainer's dream backyard. The kitchen is truly unrivaled with Wolf appliances (as well as butler's kitchen), a massive quartzite-tiered island, built-in wine fridge, & major storage. Upstairs, four lightly-used suites (one a gym with infrared sauna), laundry, a converted bonus room to home office (you will seek to work

from home here) & the nicest ocean-view primary suite you can find. Whether waking up, lounging on the outdoor lanai, showering or soaking in the tub, major ocean & whitewater views are abundant within the primary. The backyard has been fully customized with a covered CA patio + pergola for alfresco dining (both heated), plunge pool/spa and multiple lounging patios all warmed by a massive gas fireplace. Surfers can be seen riding waves in the distance. Highly upgraded since 2017 construction: custom window treatments/draperies, full-coverage solar, water softener, home automation, sonos, upgraded flooring, custom built-ins, cabinetry, counters, the list goes on. Sea Summit - Indigo specifically, is a prestigious enclave with the fewest residences (32) and the largest lots with premier ocean views. Offering 4 miles of walking trails surrounded by natural habitat to nearby parks, amazing clubhouse, sandy beaches, new restaurants & shopping. The epitome of coastal luxury living, this home is truly exceptional.
